

2023-2024 Cumberland HSAC Funded Programs

Bettie's Way Foundation, Comfort and Care Initiative – The program seeks to assist with the often unaddressed need for infant care, feminine hygiene, personal hygiene, and home care items for vulnerable individuals and families in Cumberland County.

Contact – 856-558-3477 – bettiesway22@gmail.com

Big Brothers Big Sisters of Cumberland and Salem Counties, Mentoring – The program enables volunteer mentors to meet with children and youth in Cumberland County that are matched and professionally supported in site and community settings to provide emotional support and encouragement. Mentors ignite the power and promise of each child and youth they are matched with.

Boys & Girls Clubs of Cumberland County, Power Hour / Project LEARN – The program is held at the Boys & Girls Clubs in Vineland and is an out-of-school program that boosts academic performance of young people (ages 6-18).

Contact – 856-696-4190 – cvolker@vinelandbgc.org

Cumberland Empowerment Zone Corp., Supportive Services for Afterschool – The program will partner with Cherry Street, Lakeside and Haleyville schools to assist in providing needed quality afterschool programs, keeping youth safe and secure until parents are out of work.

Contact – 856-696-5660 – cindya@cezcorp.org

Girls Scouts of Central and Southern NJ, Leadership Experience – The program builds girl leaders and helps improve the mental health of girls in Cumberland County. Goals are to gain essential leadership skills, stronger sense of self and positive values.

Contact – 856-795-1560 – customercare@gscsnj.org

Rural Development Corp., Keeping Families Together – The program utilizes a multifaceted approach to working with families and to reunite families of the Cumberland Family Shelter. Through social services; extensive case management, when needed, and workshop offerings that are both family focused and life-skills, families are wrapped in tools they can use to move forward positively with their lives.

Cumberland County Division of Employment and Training, Transportation Assistance – The program assists in two ways; through distribution of Uber and Gas cards to families that are in need and referred by a community agency and by contributing to the operations of the “To Work” Transportation system. The system includes the Greater Bridgeton Area Transit, Landis Avenue Express, Vineland Industrial Park Shuttle, and Millville Area Connectors.
