BIOGRAPHY:

A lifelong resident of Cumberland County: Sandra "Sandy" Taylor. After graduating from Bridgeton High School, Sandy attended Cumberland County College (now Rowan College of South Jersey) as well as American Institute of Banking classes. Her career in banking spanned the years 1980 to 2021, during which she achieved the position of Branch Manager and VP for a local bank and was responsible for bringing in new business deposits, loan customers, overseeing daily operations, and networking throughout the community. Sandy's father owned a marina on Gandy's Beach so she grew up on the New Jersey Delaware Bayshore. She and her husband Stultz are owners of STS Sheetmetal Inc. and have raised three accomplished daughters of whom they are very proud. Taylor's leadership is evident in her experience fostering business development, knowing how to work under the pressure of meeting deadlines, and utilizing team building and leadership skills. Her community involvement has extended beyond being a member of the Vineland and Millville Chamber of Commerce. She has served as the First Vice President of Millville Kiwanis and is a previous member of South Jersey Regional Health Care Foundation Auxiliary and the Bridgeton Rotary. Sandy currently sits on the Board for Gateway Community Action Partnership as the treasurer, is a board member and secretary for Citizens United, and is the treasurer for Complete Care Foundation Board. In 2023 she was elected as a Cumberland County Commissioner. When she is not volunteering her time in those capacities Sandy enjoys morning runs, swimming, and spending time with her family. She runs full and half marathons and often places in her division. Sandy Taylor would like to see Cumberland County implement an eco-conscious tourism plan that encourages a sense of place where future generations will want to raise their families. She wants to see county government protect and promote the bay, our scenic rivers, fishing and crabbing both for recreation and as a livelihood, and bird watching, as well as maintaining our wooded areas pristine so that we can all enjoy the natural environment they offer. Establishing a county or state park along the Cohansey River is one of her goals as Commissioner. In addition, Sandy would like to see a solid plan developed to revitalize businesses in Cumberland County so that its citizens can find both jobs and leisure activities close to home.

Department of Public Works & Property, Co-Liaison

BIOGRAPHY:

Antonio (Tony) Romero is a proud Cuban American; he has lived in Vineland for 54 years. Tony is a family man; he adores his beautiful wife, Mari, and his 5 children. Tony arrived in America from Communist Cuba as a young boy. His purpose is clear; he will do everything he can to preserve the America that offered his family refuge from the clutches of communism. As a local business owner in Vineland, Antonio has seen firsthand what happens when only one party oversees a county. Tony has owned and operated an auto business for the past 24 years; he understands the difficulty of navigating state and county regulations in order to remain successful in business. Tony has endured the state and county as they have over-regulated for too long. He knows our county needs to cut the red-tape restrictions that are onerous to those striving to start or maintain a local business. Tony will work to stop adding policies that stifle business owners from growth and prosperity. Tony is a well-respected resident and businessman and has been recognized by many local organizations for his long-time support of the Hispanic community, the city of Vineland, and their neighboring communities. Some of his awards that Antonio is proud of are: Pennco Tech Diploma in Electronic Technology, MX Business Building Diploma, Casa Prac Business Award, Store Cable - Manager of the Year in customer relations, Certificate of Appreciation by the Puerto Rican Club, Proclamation in 2005 by the Vineland Mayor and a Proclamation by the State of NJ with a Proclamation by the Cumberland County Clerk's Office presented by Gloria Noto. He was recognized by DH Perfil Latino T.V. Inc. as the Hispanic Heritage Business Leader of the Year, and in 2021 was the recipient of the Martin Luther King Award. Tony Romero will stand up for our Constitution, the New Jersey Constitution, and for Cumberland County as a Commissioner. He knows it is time for bold and fresh leadership in Cumberland County and is ready to serve as Commissioner to represent the citizens of our county.
